Subject: Some comments by Putin of Russia and why they have intense meaning for all Americans:

Comment 1: Do not Imagine or Believe that Russia is like it was 40 years ago.

Comment 2: Joe Biden made a fatal mistake declaring all his sanctions against people and countries in US Dollars.

Let us look at both statements individually then together so see what the Russian President was meaning:

- 1 What is the meaning behind this statement: Do not Imagine or Believe that Russia is like it was 40 years ago.
 - 1.1 When the Soviet Union fell there were some key things which caused the breakdown:
 - 1.1.1 The first thing which was happening was that the Soviet Union spent itself into bankruptcy to the point where the leadership was unable to feed the people in Moscow and other cities, and the wives of the doctors and lawyers and scientists took trains to the eastern block countries like Poland and Latvia and Estonia to get food items at family farms and local shops then ride the train back to Moscow.
 - 1.1.2 The lack of food coupled with the lack of key supplies on “urgent” projects drove the people to total rebellion and the Soviet Union broke apart and Russia in those days was very broke. (This is the wrong image that most Americans have and for sure the USA leadership has a very bad understanding of the Russian status now.)
 - 1.2 How has Russia improved and developed since the breakup of the Soviet Union?
 - 1.2.1 Russia quickly repaired it’s broken centralized food control system and returned it to the control of the farmers and food processors doing the work and making them responsible for their own wages and futures, and not something decided by people in “Ivory Towers”.
 - 1.2.2 At the same time Russia focused on its Oil and Gas Industrial base as well as continuing weapons development in a very competitive environment with the intent of leap frogging the systems of the USA and NATO as well as incorporating as much commercial off the shelf technology as possible.
- 2 Joe Biden made a fatal mistake declaring all his sanctions against people and countries in US Dollars.
 - 2.1 First we view this from the point of view of Russia:
 - 2.1.1 At this point in time Russia has no significant holdings in US dollars (like paper currency or T-bills etc).
 - 2.1.1.1 Also the bulk of Russian inter-country business does not include the USA. This in fact makes a US Dollar sanction against Russia or a Russian Company or Citizen fundamentally worthless.
 - 2.1.1.2 If someone tried to sanction Russia in Euros then Russia could simply turn off the natural gas pipelines to Europe as well as shut down oil shipments. In such a situation the problems would rapidly be resolved because Europe would be without energy which especially in winter would be deadly for the Europeans.
 - 2.2 Now if we look at the Middle Eastern countries we have another interesting set of developments:
 - 2.2.1 First we look at what is rapidly developing in the OPEC countries:

- 2.2.1.1 When Joe Biden pulled the USA out of Afghanistan in his very chaotic debacle, at the same time he was pulling out all the USA air defense systems from the OPEC countries in the Middle East, and he tore up the 50+ year old agreement with the Middle Eastern countries to provide air defense systems in exchange for only using the US Dollar for buying and selling of oil. This Agreement in effect had made the US dollar even stronger because in fact it became OIL BASED dollars, but Joe Biden not bothering to consider the critical nature of what he was doing tore up the agreement and pulled out the equipment.
 - 2.2.1.2 THE IMMEDIATE reaction was the Saudi's worked up an Agreement with Russia wherein all oil transactions would be done in Russian Rubles or Bar Gold from mid November 2021 forward. As soon as the Saudi's signed their Agreement they went with the Russians to sign up the rest of the OPEC Nations.
 - 2.2.1.3 This set of actions has the following and immediate effects:
 - 2.2.1.3.1 The USA can no longer pay for large oil shipments using T-bills. (this in effect is giving the USA oil on credit terms, and the Middle Eastern banks could use the T-bills to build up the collateral reserves of the banks.
 - 2.2.1.3.2 All transactions for oil and gas from OPEC and OPEC+ countries will now be paid in Gold Bars or wire transfer in Russian Rubles before the ships are loaded with the oil.
 - 2.2.2 This series of MEGA debacles set the USA relationships back 80 to 100 years and has caused the USA to be regarded as one of the most UNTRUSTED COUNTRIES IN THE WORLD JUST LIKE CHINA.
 - 3 Now we will look at some of the HARSH REAL WORLD REALITIES this series of debacles has created:
 - 3.1 Saudi Arabia and the other OPEC Nations have **90 TRILLION DOLLARS IN PAOER CURRENCY AND ABOUT 90 TRILLION DOLLARS IN T-BILLS** they will be demanding exchange in Russian Rubles or Gold. **UNLESS THIS IS NEGOTIATED OVER TIME, THIS WILL CAUSE AN IMMEDIATE GLOBAL DEFAULT (FORCE MAJUERE EVENT) WHICH WILL MAKE THE DOLLAR TOTALLY WORTHLESS AND THE HOLDERS OF ALL PAPER CURRENCY, STOCKS, BONDS T-BILLS OR ANY OTHER FINANCIAL INSTRUMENT WHICH IS DENOMINATED IN US DOLLARS OR USES US DOLLARS OR T-BILLS AS COLLATERAL OR BACKUP COLLATERAL BECOME TOTALLY WORTHLESS AT THAT MOMENT AND FORWARD IN TIME WITH ZERO RECOURSE FOR RECOVERY.**
 - 3.2 **THE USA HAS A TRUE FOOD SHORTAGE IN FACT CAUSED BY SOME OF THE SAME FACTORS WHICH SANK THE SOVIET UNION SO LET US LOOK AT THEM IN SOME DETAIL:**
 - 3.2.1 INSTEAD OF VALUING AND TREASURING THE FAMILY OWNED FARMS AND FOOD PROCESSORS THE USA HAS OVER TIME COPIED THE LARGE CENTRAL FARMS AND ANIMAL GROWING AND PROCESSING FACTORIES WHICH ARE NOW IMPLODING BECAUSE FRANKLY THE EMPLOYEES COULD CARE LESS ABOUT THE COMPANIES MAKING DEMANDS ON THEM IF THEY WISH TO RETAIN A "JOB" WITHOUT SAY OR OWNERSHIP IN THE PROCESS. **IT IS EXACTLY THSE FATORS WHICH CAUSED THE COLLAPSE OF THE FOOD SUPPLY CHAIN IN THE SOVIET UNION BEFORE ITS RAPID COLLAPSE WHEN THE FOOD BECAME UNAVAILABLE!!!!!!**

3.2.2 THE SAME THING IS TRUE WITH THE SHIPPING AND TRANSPORTATION SECTOR AND THE SUDDEN HARSH DEMANDS MADE ON THE TRUCKERS. (THE SECRET NON PUBLIC DEMAND ? IF YOU WISH TO KEEP YOUR LICENSE TO DRIVE YOUR TRUCK YOU MUST HAVE ALL 3 JABS PLUS BOOSTERS MONTHLY!!!!) TRUCKER ARE RIGHTLY SO EXERCISING THEIR FREE WILL NOT TO DRIVE UNDER SUCH CONDITIONS.)

I advise everyone to plan on zero presents for Christmas and be ultra thankful if you ha planned ahead and have food for Thanksgiving dinner and Christmas dinner. You must remember to be thankful for the blessings you have:

- 1 If you have 2 eyes 2 ears 2 arms and hands and legs and feet with heart and lungs that correctly work **THANK JESUS EVERY DAY FOR THOSE BLESSINGS.**
- 2 If you are missing one or more of those things **STILL PRAISE JESUS FOR HIS BLESSING OF LIFE !!!**
- 3 **WHAT EVER WE HAVE WE GIVE FULL PRAISE AND THANKFULNESS FOR THE BLESSINGS WE HAVE.**
