Subject: Food, Transportation, Fuel, and The Breakdown of Society

This report may sound brutal in some ways but truth itself is brutal at times (and it is brutal now because the true story of what is coming to your town FASTER than you expect is ugly, brutal and forever life changing.)

- 1 ARE YOU READY FOR CHICKEN, PORK AND BEEF PRICES TO GO UP AS HIGH AS 30% INCREASE PER MONTH OVER THE NEXT 6 MONTHS ?**
- 2 ARE YOU READY FOR TOTALLY EMPTY FOOD SHELVES AT THE GROCERY STORES ?**
- 3 ARE YOU READY FOR WHAT FOOD THERE IS TO BE RATIONED ?**
- 4 ARE YOU READY FOR THE PRICE OF LPG AND NATURAL GAS AND GASOLINE TO DOUBLE IN THE NEXT MONTH ?**
- 5 ARE YOU READY FOR ELECTRIC POWER BLACKOUTS IN THE MIDDLE OF WINTER ?**

If you say how can this be this is the “UNITED STATES OF AMERICA” and the land of the plenty. I am sorry to have to tell you this but the USA is no longer the land of plenty.

- 1 As a nation we squandered our birthrights given by God the Father to GREED, KILLING OF INNOCENTS, SORCERY AND ALL OTHER FORMS OF EVIL.**
- 2 We are in fact no longer “UNITED” but we are “THE DIVIDED STATES OF AMERICA” fast leading to a civil war, what make this civil war important is that it is about having a VALID SET OF LAWS, FOLLOWING THE LAWS FROM THE MOST POOR PERSON TO THE MOST POWERFUL PERSON IN THE NATION WITH UNIFORM JUSTICE FOR ALL VS A DICTATORSHIP WHICH FEELS IT HAS THE RIGHT TO DETERMINE WHAT YOU BELIEVE, WHERE YOU WILL LIVE, AND WHAT YOU MUST BOW TO AND OBEY TO EVEN HAVE FOOD AND WATER.**
- 3 ARE YOU TOTALLY PREPARED IN YOUR HEART AND SOUL TO FIGHT FOR WHAT YOU CLAIM YOU BELIEVE ? ARE YOU PREPARED IN YOUR PHYSICAL PREPARATIONS ?**
  - 3.1 JUST TO BE TOTALLY CLEAR, TO BE READY MEANS: THAT FROM THE TIME YOU GET A PHONE CALL OR TEXT MESSAGE OR INSTANT MESSAGE OR EMAIL ON YOUR PHONE, CAN YOU BE IN YOUR VEHICLE OFF THE SIDE STREETS AND ON THE MAIN ROAD HEADING TO YOUR BUG OUT LOCATION IN 5 MINUTES OR LESS IF THAT IS REQUIRED ?**
  - 3.2 ARE YOU PREPARED TO DEFEND YOUR HOME IN PLACE IF THAT IS REQUIRED ?**

### **3.3 ARE YOU PREPARED TO LEAVE EVERYTHING EXCEPT WHAT YOU HAVE LOADED IN YOUR VEHICLE AND DRIVE TO A NEW LOCATION TO START YOUR LIFE AGAIN ?**

- 4 IF YOU ASK WHY THESE QUESTIONS I WILL BLUNTLY TELL YOU THAT CIVIL WAR IS IN FACT COMING AND IT WILL NOT BE A “NORTH VS SOUTH” LIKE THE LAST CIVIL WAR IT WILL BE “RED VS BLUE” AREAS AND IF YOU ARE A “RED” THINKER THEN YOU MAY IN FACT NEED TO MOVE FROM YOUR HOME IN THE “BLUE” AREA TO A “RED” AREA.**
- 5 SO THE BASIC BOTTOM LINE IS THIS: UNTIL AND UNLESS YOU ARE WILLING TO LAY DOWN YOUR LIFE TO PROTECT THE ONES YOU LOVE, AND DO IT WITH THE POWER AND AUTHORITY OF THE PROMISES OF GOD AND THE PRECIOUS BLOOD OF JESUS YOU ARE NOT YET READY FOR THE TIMES RAPIDLY COMING TO YOUR TOWN.**

Now we get down to some details and facts to prove the statements above:

- 1 There is a natural gas pipeline that is running perfectly with no environmental impact and no leaks or danger which Team Biden wants to De-certify. This will cut electric power and heating gas to about a 6 state area. What is the reason for doing this ? Simple to see but the areas most affected by shutting down the pipeline have some of the lowest “vax” rates in the nation, but also in fact some of the LOWEST “COVID” rates in the nation. Do we see a story and trend here ?
- 2 There are additional electric power blackouts expected across the North American power grid as the expected fuel shortages hit the power companies. The rolling blackouts will have massive other negative impact beyond just home and offices and factories:
  - 2.1 When there is no electric power the gasoline and diesel stations can not pump fuel.
  - 2.2 When the truckers can not get fuel that kills transportation of food and fuel to most of the nation.
- 3 Tyson Foods had an investor phone call last week assuring the investors that Tyson would keep its profitability up by having staged price increases which matched their increased cost structures. Later Tyson Foods issued letters and emails to all their distributors and wholesale buyers of the new pricing plans.
- 4 Other of the large food processing companies made the same basic statements which Tyson foods said the would be doing. The blunt truth here is the food (if you can get it) will be priced so high that most people will struggle even to get what they consider “basics” of life.

# Epilogue

What more is there you say ? Plenty so I will keep it brief and to the point: The USA as you know it will come to a complete standstill !! **THIS WILL ALL BE GUIDED AND DIRECTED BY LUCIFER.**

- 1 You will no longer be able to freely travel from town to town or state to state. There will be roadblocks and intense checking of documents at each road block.
- 2 City and Municipal wells and water supplies will have serious guarding.
- 3 All rivers, and dams which represent sources of drinking water will be heavily guarded as well.
- 4 All outdoor as well as indoor farms will be heavily guarded.
- 5 **THERE WILL BE MULTIPLE VIRUSES GLOBALLY TO REDUCE (KILL AND ALTER) THE HUMAN RACE.**
- 6 **THERE WILL BE GLOBAL DROUGHT AND FAMINE CAUSED BY DROUGHT AS WELL AS OTHER CAUSES LIKE INSECTS AND SO ON.**

All of this is already in motion now and as the increased prices hit, the number of guards and roadblocks will only increase.

As the number of dead bodies sharply rise there will be panic and pandemonium increasing daily as the morgues and cemeteries and crematoriums overflow with both covid and non covid dead bodies.

As the enemies of the USA (and there are plenty) realize that the USA is in a civil war, they will attack the USA mainland seeking to devour all they can grab, and the two sides fighting the civil war will only realize after the fact that an external group of forces are invading.
