Subject: **WEATHER WARS AND OTHER GEOLOGY TYPES OF WAR !!!**

I realize and understand that most people think of wars being about things like guns, bullets, tanks, bombs and nuclear bombs. Those things may worry you or scare you to get on your knees any pray for God's protection, but now you need to go beyond war as you thought you understood it to how technology has totally changed **WARFARE FOREVER. BEFORE WE LOOK AT THE MARVELS OF TECHNOLOGY WHICH MAKE NEW TYPES OF WAR POSSIBLE LET US LOOK AT THE MASS HORRORS OF THIS TYPE OF WAR.**

1 BECAUSE OUR FOCUS IS THE WEATHER, THERE ARE SOME THINGS WE NEED TO BE SURE THAT YOU UNDERSTAND CLEARLY SO THAT THE REST OF THIS REPORT IS MORE CLEARLY UNDERSTOOD.

- 1.1** It has been known for decades that the concept of a jet stream (a flow of air at low or high speed high above where the air is thin) had an effect on the whole flow of air around the planet.
- 1.2** With the creation and improvement of radar and thermal imaging systems it has been discovered and documented that there are in fact large rivers of air which move vast quantities of moisture and other gases around the planet.
- 1.3** Naturally there are about 70 locations around the planet which cause and create and sustain these rivers of air. These places heat the air causing the air to rise in invisible columns into the higher atmosphere where the heated air joins an existing river and gives the river an energy kick to keep it moving along.
- 1.4** It has also been discovered that by pumping energy into one side or the other of one of these rivers of air that you can steer it. This is very significant because some rivers of air are "bone dry" (meaning less than 1% of that river of air has water). Some rivers are rain water begging to happen with as high as 50% water and ready to dump.
- 1.5** As a person wanting to alter the conditions in an area, you could in fact steer a water heavy river of air to a location which normally does not get such heavy rains, or dump the water into the ocean as over the ocean storms. Then you could direct the river of "bone dry" air to a place (like the usa west coast) which normally gets heavy rain and snow fall in the "wet months of the year" and force the entire year to be "bone dry" as well as brutally hot in summer and brutally cold in winter. If this set of actions is repeated for 3 to 5 years then not only is the weather pattern for the area all messed up but the entire ECO system of plants and animals and farms and people. **WORST OF ALL IS THE FACT THAT NO ONE WILL SAY ANYTHING EXCEPT BLAMING THE WEATHER BECAUSE PEOPLE DO NOT UNDERSTAND ATMOSPHERIC RIVERS AND ALSO THE FACT THAT THESE RIVERS CAN BE MODIFIED AND STEERED AS WELL TO TOTALLY CHANGE THE WEATHER IN A REGION OR COUNTRY.**

2 WHAT HAPPENS WHEN MULTIPLE SYSTEMS START TURNING ON AND PUMPING ENERGY INTO THE AIR TRYING TO MOVE THE RIVERS OF AIR THEY WANT?

- 2.1** Because the Ionosphere is like a giant reflector for radio waves, when all the high power "weather and geengineering RF systems turn on, it will end up like a massive echo chamber and there will be waves adding together or subtracting all of which will make unexpected changes from the results the different groups had desired. These results may

have positive effects or drastic negative effects even half way around the globe. This means that this type of technology must be used wisely and carefully.

3 THERE IS ONE MORE CRITICAL SET OF INFORMATION THAT YOU NEED TO UNDERSTAND BECAUSE IT IS DIRECTLY RELEVANT TO THE NEWS THESE DAYS

3.1 While the Pentagon was informed more than 50 years ago that the time would come when the RF systems (radios, cell phones, remote controls, etc) would be able to be blocked both on and off the battlefield the Pentagon planners laughed and said that is not possible and ignored the warnings.

3.2 That time has now come and with the flip of some switches, North America, Europe, and the Mediterranean Sea, as well as Asia that the following has happened and can happen again any time:

3.2.1 The advanced USA F35 fighter loses control and crashes

3.2.2 The USA STATE OF THE ART MISSILE CRUISER DONALD S COOK taken offline

3.2.3 Cell phones in large areas have stopped working during tests because they could not talk properly to their towers to exchange data

3.3 **RUSSIA HAS ADVANCED THE STATE OF THE ART OF JAMMING AND EW (ELECTRONIC WARFARE SYSTEMS) INTO A SINGLE UNIFIED MULTI-FUNCTIONAL SYSTEM) WHICH CAN ALSO ACT AS A HIGH POWERED TRANSMITTER AS PART OF THE 3D RADAR SYSTEMS.**

4 IN ADDITION WITH SYSTEMS IN THE FOLLOWING AREAS RUSSIA HAS BLANKETED THE ENTIRE NORTHERN HEMISPHERE:

5

5.1 **MAJOR SITE 1 ABOUT 200 KM FROM THE WESTERN BORDER OF RUSSIA NEAR THE UKRAINE BORDER THIS SITE HAS NUCLEAR REACTORS FOR POWER THESE JAMMING SYSTEMS WITH A TOTAL POWER OF 600 MILLION WATTS ACROSS A GROUP OF TRANSMITTERS, SO NOW THEY CAN PREVENT THE FLIGHT OF ADVANCED AIRCRAFT, CAUSE CELL PHONES TO STOP WORKING, SHUT DOWN RADIO AND TV STATIONS AT WILL.**

5.2 **MAJOR SITE 2 ABOUT 50 KM FROM THE EASTERN BORDER OF RUSSIA NEAR THE CHINA BORDER THIS SITE HAS NUCLEAR REACTORS FOR POWER THESE JAMMING SYSTEMS WITH A TOTAL POWER OF 1,200 MILLION WATTS ACROSS A GROUP OF TRANSMITTERS, SO NOW THEY CAN PREVENT THE FLIGHT OF ADVANCED AIRCRAFT, CAUSE CELL PHONES TO STOP WORKING, SHUT DOWN RADIO AND TV STATIONS AT WILL.**

5.3 **MAJOR SITE 3 THIS SITE IS IN THE ARCTIC CIRCLE DESIGNED TO COVER THE ENTIRE NORTH AMERICAN CONTINENT THEY INSTALLED IN SOME PURPOSE BUILT SHIPS WITH NUCLEAR REACTORS FOR POWER THESE JAMMING SYSTEMS WITH A TOTAL POWER OF 300 MILLION WATTS ACROSS A GROUP OF TRANSMITTERS, SO NOW THEY CAN PREVENT THE FLIGHT OF ADVANCED AIRCRAFT, CAUSE CELL PHONES TO STOP WORKING, SHUT DOWN RADIO AND TV STATIONS AT WILL.**

6 BEFORE WE LOOK AT THE NEW TYPES OF WARFARE LET US ASK SOME BASIC QUESTIONS:

6.1 What are the critical items for Living ?

6.1.1.1 Shelter

6.1.1.2 Fresh drinking water

6.1.1.3 Food

6.1.1.4 Energy for even basic cooking and keeping the shelter warm or cool

6.2 When most of you think of **SHELTER** what comes to mind is your house and home of people you love True ? **WHAT WOULD HAPPEN IF YOU NO LONGER HAD SHELTER IN THE MIDDLE OF A WINTER BLIZZARD OR THE BLISTERING HEAT OF A HOT SUMMER WITH ONLY HOT SUN AND NO COOLING WINDS OR RAIN ?**

6.3 When most of you in the **USA think of drinking water** you think of going to the faucet and turning on the valve and filling your glass with water True ? **WHAT WOULD HAPPEN IF WHEN YOU TURNED ON YOUR FAUCET ONLY BLACK GUNK OR NOTHING CAME OUT OF YOUR FAUCET ? (I HEAR YOU MUTTERING THIS IS THE USA THAT COULD NEVER HAPPEN !!! I AM SORRY TO HAVE TO SHOCK YOU BUT THERE ARE SMALL CITIES IN THE SOUTHWESTERN USA THAT INDEED THERE IS NO DRINKING WATER ONLY BLACK GUNK OR NOTHING COMING OT OF THE FAUCETS. HOW CAN THIS BE ? READ ON AND LEARN !!!)**

6.4 When most of you think of food you think of the grocery store and running over to the store to pick up a few items to eat True ? **WHAT WOULD HAPPEN IF YOU WENT TO THE STORE AND THE SHELVES WERE EMPTY OR SO LOW THAT THERE WAS A LIMIT OF 1 ITEM OF A TYPE PER CUSTOMER, HOW WOULD YOU BE AFFECTED ?**

6.4.1 Also think **what if there is no rain to grow the food and the land just becomes a dry dust bowl?**

6.4.2 **What if earthquakes rip huge cracks in the ground and you can no longer plant food on the land ?**

6.4.3 **What if a TSUNAMI roared over the farmland from the ocean dumping tons of salt from the saltwater of the ocean and poisoned the ground from growing ?**

6.5 When most of you think of energy you think of electricity and natural gas coming to your house in a pipe or LPG gas in a tank outside your house for cooking, and gasoline or diesel for transportation True? **WHAT WOULD HAPPEN TO YOU IF SUDDENLY ALL THESE FORMS OF ENERGY WERE NO LONGER AVAILABLE TO YOU AT ANY PRICE ?**

7 HOW DOES WEATHER BECOME A WEAPON OF WAR ?

7.1 To understand how weather can be used as a weapon let us pause and consider how and what is it in the atmosphere which creates weather ?

7.1.1 There are the very high jet stream rivers of air which move rapidly and cause the air below the stream to speed up or slow down or change direction.

7.1.2 As the air swirls around the things affected in the air are:

7.1.2.1 How warm or cold will the air be when it gets to certain places ?

7.1.2.2 How much water will the air have absorbed on it's travel to a place ?

7.1.2.3 Will the air swirl and pause and cause a dry storm or a wet storm and dump tons of water on the ground below ?

7.2 IF AS AN ENEMY YOU COULD CONTROL HOW AND WHEN AND WHERE IT WOULD RAIN IN THE USA AS AN EXAMPLE YOU THEN HAVE CONTROL OVER THE FOLLOWING THINGS:

7.2.1 Denial of critical snow packs in the winter months to feed the rivers all year long.

7.2.2 Denial of rains in the midwest turning the huge farm areas into a dry dust bowl as far as the eye can see.

7.2.3 Total flooding in areas all at the wrong time of the year so that none of the water can be captured for use as drinking water or farming water.

7.3 IF YOU SAY ALL OF THIS IS NOT POSSIBLE AND CAN NOT HAPPEN HERE THINK AGAIN!! READ ON !!

8 HOW DO EARTHQUAKES BECOME A WEAPON OF WAR ?

8.1 PAUSE AND CONSIDER THIS SIMPLE FACT: WHAT IF AN ENEMY COULD CAUSE EARTHQUAKES ANY PLACE ON THE PLANET AT ANY TIME AND ALMOST ANY MAGNITUDE? DOES THAT IN FACT MAKE EARTHQUAKE GENERATION CAPABILITY A WEAPON OF MASS DESTRUCTION ? READ ON !!!

9 HOW DO VOLCANOES BECOME A WEAPON OF WAR ?

9.1 PAUSE AND CONSIDER THIS CONCEPT: WHAT IF AN ENEMY COULD ADVANCE THE TIME OF ERUPTION OF A VOLCANO AS WELL AS THE EXPLOSIVE INTENSITY OF ERUPTION? DOES THAT THEN MAKE THE TOOLS WHICH CAN DO THAT TO BE WEAPONS OF MASS DESTRUCTION ? READ ON !!!!

Now that you understand how devastating such tools of technology can be let us dive into how these things work and also how they are already affecting your life today.

NEW TECHNOLOGIES WHICH HAVE BECOME IN FACT WEAPONS OF MASS DESTRUCTION

First we will take a quick look at the basic underlying technologies and how they can be used:

1 TECHNOLOGIES WHICH CAN ALTER WEATHER DIRECTLY:

1.1 Cloud seeding: Cloud seeding is a decades old technology using crystals of various salts to cause the water to clump and start a rainstorm early.

1.2 Energy injection to existing weather systems

1.2.1 RF (Radio Frequency) energy injection: It has been proven that PUMPING STORMS WITH HIGH INTENSITY RADIO WAVES WILL INTENSIFY THE STORM, HOWEVER YOU NEED TO BE NEAR THE STORM (OR RIGHT OVERHEAD IN AN AIRPLANE OR IN SPACE)

1.2.2 Laser energy injection: It has been proven that PUMPING STORMS WITH HIGH INTENSITY LASER PULSES WILL INTENSIFY THE STORM, HOWEVER YOU NEED TO BE NEAR THE STORM (OR RIGHT OVERHEAD IN AN AIRPLANE OR IN SPACE)

1.3 Energy injection to the upper atmosphere

1.3.1 RF (Radio Frequency) energy injection: It has been proven that injecting high energy radio waves of the correct frequency and modulation into the jet streams can alter the flow of the jet stream and the weather of the countries below the jet stream.

1.3.2 Laser energy injection: It has been proven that injecting high intensity laser pulses into the jet streams can alter the flow of the jet stream and the weather of the countries below the jet stream.

2 TECHNOLOGIES WHICH CAN CREATE EARTHQUAKES DIRECTLY:

2.1 High intensity explosions: Explosions of kilotons or megatons delivered to critical cracks will cause an earthquake along the crack (fault) with the explosion being the primary epicenter of the quake.

2.2 A system which uses wave addition to create earthquakes without even being near the epicenter. If you create a system which has the ability to shake the ground (like with giant hydraulic cylinders) and time the ground shaking, and you have a group of these things, you could in fact create an earthquake anyplace on the planet by timing the waves to arrive at the same time and add the energy of the smaller waves into a bigger wave needed to cause the earthquake.

3 TECHNOLOGIES WHICH CAN ALTER VOLCANIC ERUPTIONS:

3.1 Pumping energy directly into the caldera: It is a known fact that high energy pulses of RF or laser energy pumped into a caldera will cause the temperature to rise and therefore the magma will flow more freely.

3.2 Using artificially created earthquakes to trigger volcanic actions early or larger than would normally occur.

WHO HAS THESE TECHNOLOGIES

The following groups of entities or people have these technologies.

- 1 Fallen angels:
 - 1.1 The fallen angels have a very large group of shakers needed to power a global earthquake creation system.
 - 1.2 The fallen angels have a worldwide network of very high energy RF transmitters which can be tuned to specific jobs as needed, and some of these transmitters are hundreds of millions of watts
 - 1.3 The fallen angels have huge power generation systems in Antarctica and a global power distribution system. They have power generation in the hundreds of trillions of watts of energy.
- 2 RUSSIA:
 - 2.1 Russia has a very large group of shakers needed to power a global earthquake creation system. Some of the points in their system have nuclear reactors to provide plenty of energy.
 - 2.2 Russia has a worldwide network of very high energy RF transmitters which can be tuned to specific jobs as needed, and some of these transmitters (like some in the arctic circle) have their own nuclear power plants to provide millions of watts of energy.
 - 2.3 Russia has a space borne network of high energy pulse lasers which can be directed to a wide range of functions.
- 3 USA
 - 3.1 The USA had the HAARP system for generating high intensity radio waves but now shut down
 - 3.2 The USA has a space borne network of high energy pulse lasers which can be directed to a wide range of functions.
- 4 CHINA
 - 4.1 China has a HAARP like system

I hope that this short presentation helps you see how radically weapons and warfare have changed in a short number of years.
