Subject: God's Judgment on the USA and Its Money -- and Why Now?

This report is more than just about money. It's about how the USA as a country has used its money and influence to dominate the world in an evil way, and why this era of domination is coming to a close. What will be some of the devastating things taking place during God's judgment? Let's look at some key facts which have brought this nation to it's knees, to totally crumble before your eyes.

- 1 At the end of WW2 the USA began dominating the world which was recovering from the spiritual, emotional, physical, and financial ravages of the war. Because the USA mainland was literally untouched during WW2 the USA became the manufacturing and financial powerhouse of the world.
- 2 Because of the needs of the world for stability, the USA promoted the use of the US dollar as the reserve or "backup" currency for the countries.
- 3 Additionally, the USA had the oil producing nations agree to use the US dollar for all oil and gas transactions, and in return the USA would give military support and protection to those nations.
  - 3.1 **A significant thing about oil being bought and sold using US dollars is the fact that oil could be purchased using US T-bills which while NOT US dollars directly everyone has treated T-bills as "US Dollars" purchased at a discount and the have interest. (To be blunt buying oil on credit) after many years, it has in fact been OIL not GOLD which is the standard and "asset" backing the US dollar.**
  - 3.2 **While this appears to be a "good" thing it is also the deadly trap for the financial world and the citizens of the USA.**
- 4 At the same time as pushing the US Dollar on other countries the USA began to push "USA values" on people in other nations. As the values of the USA became more evil and twisted these evil values were pushed out on other nations and people groups. Some Examples of the "NEW" USA values being pushed:
  - 4.1 The creation of the UN (United Nations) with a headquarters in New York City. The UN was always planned to be one of the primary ways that nations gave up individuality to conform to "common" rules and then to common rule.
  - 4.2 LBGT+ (Lesbian, Gay, Transgender, and the plus sign means that gender is a choice of a person rather than what they were created by God and born as God intended).
  - 4.3 Abortion: first it was abortion with strict limits and time limits **NOW UNDER JOE BIDEN ADMINISTRATION IT IS NOW LEGAL TO KILL A FULLY BORN CHILD AND LIST IT AS A FULL BIRTH ABORTION RATHER THAN MURDER OF A LIVING PERSON !!!!!!!!!!! (WHO WILL STAND UP FOR THESE INNOCENTS ALL 250 MILLION OF THE YOUNG USA CITIZENS MURDERED SINCE THE WADE/ROE DECISION IN THE SUPREME COURT? THE LIVING CITIZENS OF THE USA WILL PAY WITH THEIR LIVES FOR NOT SPEAKING UP AND DEFENDING THE RIGHTS OF THE INNOCENTS.**

#### 4.4 As the USA has spread these wrong values to the world, there is anger and resentment but also people feel trapped because their currency and energy depends on the USA Dollar.

The true and very secret reason for this use of the US Dollar was to bring forward “**THE NEW WORLD ORDER**” with a single uniform government for the world. (If this sounds familiar to you all you need to do is open your bible and read about the beast and his one world Government.) You also need to remember that such things are not done in a single jump but rather in steps which are presented as “helping” or “saving” people from something which the average person sees as “bad” or “dangerous”. Let me give you some examples of these steps which have been taken because when we look at past history and current history we see patterns emerge:

- 1 It used to be in grocery stores and other stores that each item had a sticker pasted on it telling you and the cashier what the price of that exact item is. At the time when UPC codes were introduced with the advertising by the system vendors and the stores that the UPC code would make it faster for the cashiers to check people through the process. When people protested, yhet stores said ok, we will leave the stickers on the items and if the price on the register is different than the sticker on the item, we will give you double the difference. This calmed the people and in time the stickers began vanishing without a protest or wimper because the system logged things correctly. However what the consumer lost was the ability to track their spending before they got to the checkout line.
- 2 In parallel to the UPC code changes came the ATM machine. This meant that the consumer did not have to go in the bank to get cash and so on. Yes at the beginning the banks had their teething problems with the ATM systems but now there are 2 generations of people who do not know how to live without the plastic cards in their pockets.
- 3 The Debit and Credit cards were introduced as being “safer” than carrying cash in your pocket, and the card companies promised that if any problems or a stolen card to just call and they could fix the problem or cancel the stolen card. It still has not occurred to most people that if the computer system controlling card activities can halt a single transaction or turn off a card, then in fact the consumer has abdicated their control of their funds (MONEY) to other people for the “convenience” of not having to go to the bank and take out cash to use for living.

Now we will come to 2021 and 2022 and what you can expect and will see happen:

- 1 Related to banks and money:
  - 1.1 The bank branches you see closing are part of a premeditated plan to accomplish the following:
    - 1.1.1 Force the use of “plastic money” and remove paper money from circulation. Why you ask ? To force more control and watching of what you buy when you by and so on, as well a the ability to deny you access to your funds at any time.
    - 1.1.2 To remove the idea that your bank is your friend. Remember no matter what the bank advertising says the bank is NOT your friend.
    - 1.1.3 The banks need to reduce the number of branches so they can reduce the cash holdings and liquidity at each branch.

**1.1.4** By first removing the branches and directing you to some help line number or email address or internet chat address they are removing the “human touch” from all your bank encounters.

**1.1.5** After the number of branches is cut then the banks will begin cutting the number of available ATM machines thus lowering the total physical cash which will be in circulation.

**1.2** On January 1, 2022 there are several new banking rules which will take place and any or all of the rule changes can affect you or your company.

**2 Related to the world around you which can utterly change your life in seconds.**

**2.1** Does the USA have the strong military to be the top world police and force USA ideals on people ? **NOT A CHANCE !!!! ( AND TO ADD INSULT TO INJURY THE USA MILITARY WILL NOT BE ABLE TO DEFEND THE USA MAINLAND AGAINST THE NEW WEAPONS THAT OTHER COUNTRIES ALREADY HAVE.**

**2.2 HOW DO YOU EXPECT THE USA TO KEEP HANDING OUT “FREE” MONEY WITHOUT HAVING TO PAY IT BACK IN SOME WAY AT SOME TIME ?** The answer is that unless there is a valid lender and a payback plan then the people of the USA will see all this “free money” explode into uncontrolled inflation and prices in the stores rising so high that the supposed “free” money has **NEGATIVE PURCHASING POWER meaning that for every 10 “free dollars” you get, you will get like 1 dollar of real product value. Therefore the lie of the “FREE” money (no matter what it is called) is a very real forward expense which you must bear for the rest of your life.**

**2.3 WHAT DO YOU EXPECT TO HAPPEN TO ENERGY COSTS IF THE FOLLOWING EVENTS OCCUR AND CONTINUE:**

**2.3.1 JOE BIDEN CUTS THE CONSTRUCTION AND OPERATIONAL PERMITS OF USA AND USA/CANADA PIPELINES TO DISTRIBUTE BOTH RETAIL ENERGY AS WELL AS PROMOTE THE USA AND NORTH AMERICAN ENERGY SOURCES ? ANSWER: 3 TO 5 TIMES HIGHER ENERGY COSTS INSTEAD OF GETTING LOWER AND LESS DEPENDENT ON FOREIGN COUNTRIES.**

**2.4 WHAT WILL HAPPEN IF ALL COUNTRIES AND ENTITIES WHICH HAVE LARGE HOLDINGS OF USA T-BILLS DEMAND CONVERSION TO OTHER CURRENCIES OR GOLD ??? SUCH AN EVENT WOULD CAUSE A FORCE MAJEURE EVENT DECLARING THE FOLLOWING:**

**2.4.1 All US Dollar paper and coins have zero value from the time of the event.**

**2.4.2 All US banks would close because all US dollars in the bank accounts would have zero value after the event. (This includes all debit and credit cards and any transactions in process at the time of the event would be canceled as well)**

**2.4.3 All US T-bills would become worthless.**

**2.4.4 All US Dollar denominated securities world wide would have zero value.**

**2.5 ARE THERE OTHER EVENTS WHICH COULD CAUSE A FORCE MAJEURE EVENT ? YES THERE ARE BUT THERE ARE OTHER REPORTS WHICH COVER THOSE EVENTS IN MORE DETAIL.**

**2.6 WAR WITH RUSSIA. Note this does not need to be a global war but a war between Russia and the USA would be far more devastating to the USA mainland than to Russia.**

# SUMMARY

To explain the Banking system setup so it becomes crystal clear:

- 1 THERE ARE MULTIPLE NETWORKS WHICH SUPPORT THE CREDIT AND DEBIT CARD PROCESSING:
  - 1.1 WHILE THEY ARE COMMERCIAL OPERATIONS WHICH THE BANKS PAY SERVICE FEES FOR PROCESSING THEY ARE ALSO REGULATED BY THE FEDERAL RESERVE WHO HAS A "KILL" SWITCH WHICH CAN SHUT DOWN THE ENTIRE CREDIT AND DEBIT CARD SYSTEM(S) BUT THEY CAN ALSO KILL TRANSACTIONS FROM SPECIFIC CARD NUMBERS
  - 1.2 RELATED TO THE CRUNCH GOING ON (Example: The sudden closing of hundreds of branches of the bigger banks) NOW YOU NEED TO UNDERSTAND THAT THERE ARE MAJOR BANKING RULE CHANGES WHICH WILL KICK IN ON JANUARY 1 2022. SOME OF THE MOST RADICAL CHANGES IN BANKING EVER MADE.
  - 1.3 EXPECT POTENTIALLY THAT THERE WILL BE "SERVICE DENIAL" ( THE POLITICALLY CORRECT TERM FOR NETWORK SHUTDOWN) AS SOON AS JANUARY 1 2022 BASED ON THE NEEDS OF THE BANKS TO RUSH AND MEET THE NEW REGULATIONS TO REMAIN OPEN. THESE "SERVICE DENIAL TIMES" CAN BE SHORT OR LONG DEPENDING ON THE NEEDS OF THE BANKS.
- 2 TO BE TOTALLY BLUNT (IF THAT IS OK) THE ENTIRE GLOBAL BANKING SYSTEM IS WAY PAST OVER THE EDGE AND THE BRIDGES ARE OUT AND THE FIRE STORMS AT THE BOTTOM OF THE CANYON ARE HUGE FOR THE FOLLOWING REASONS:
  - 2.1 THE BASE CURRENCIES ( US DOLLAR, UK POUND, EURO, CHINESE YUAN, ETC) ARE SO FULL OF HOT AIR AND THE COUNTRIES HAVE JUST BEEN PRINTING MORE MONEY TRYING TO ( KICK THE CAN DOWN THE ROAD) AVOIDING EXPOSING TO THE SHEEPLE WORLD WIDE THAT THEY ARE LIVING IN A TIME OF UTTER POVERTY NOT THE LAVISH WEALTH THEY THINK THAT THEY ARE EARNING AND LIVING WITH.
- 3 THE COLLAPSE OF THE US DOLLAR CAN BE TRIGGERED AT THIS POINT BY ONE OR MORE OF THE FOLLOWING EVENTS:
  - 3.1 DEMANDS BY COUNTRIES AGAINST T-BILL OR DOLLAR CASH PAYOUTS IN OTHER CURRENCIES ( LIKE RUBLES) THESE EVENTS ARE INDEPENDENT OF ANYTHING JOE BIDEN HAS CONTROL OVER EXCEPT FOR THE FACT THAT ACTING AS STUPIDLY AS HE IS WILL HASTEN SUCH EVENTS TO OCCUR.
  - 3.2 IF JOE BIDEN AND CONGRESS GET STUPID SPENDING MONEY THAT NO ONE WANTS TO LEND THEM THEN THE ONLY OPTIONS LEFT ARE:
    - 3.2.1 ALLOW THE WILD INFLATION TO OCCUR AND A SIMPLE LOAF OF BREAD WILL COST YOU A BIG STACK OF 100 DOLLAR BILLS ETC.

3.2.2 TRIGGER A FORCE MAJEURE EVENT TO HALT WILD INFLATION WITH A TOTALLY HARD BRUTAL STOP

4 THE MOST SIGNIFICANT RESULTS OF A FORCE MAJEURE EVENT ON THE US DOLLAR ARE AS FOLLOWS:

4.1 ABSOLUTE COLLAPSE OF THE USA DOLLAR AND ALL DOLLAR BASED ASSETS AS WELL AS A TOTAL COLLAPSE OF THE USA BANKING SYSTEM AS YOU KNOW IT.

4.2 ALL GLOBAL CURRENCIES WHICH HAVE DOLLAR DEPENDENCIES ( SUCH AS THE UK POUND, THE EURO, THE CHINESE YUAN, ETC) WILL COLLAPSE IN THAT SAME MINUTE.

4.3 BECAUSE THE RUSSIAN BANKS AND THE RUSSIAN RUBLE HAVE ZERO DEPENDENCY ON THE USA DOLLAR IT WILL BE THE ONLY MAJOR COUNTRY CURRENCY WHICH WILL BE LEFT STANDING WHEN THE USA DOLLAR FORCE MAJEURE EVENT OCCURS.

5 MAIN STREET AMERICA CAN FEEL PAIN AS SOON AS MONDAY DECEMBER 27, 2021 BUT FOR SURE ON JANUARY 1 2022 WHEN THE NEW BANKING RULES HIT.

## Epilog

The former American military has no intention of fighting an international war but will make war on all those will not submit to their idea of the New World order that they've been pushing on the world it is a nation will see used to be as God's point of judgment using Other Nations in the same way that God has judged the Hebrews in the Bible. Righteousness and anger strips away The veneer ripping the masks of the evil one and his servants for the whole world to see as the world in awe of how God brings an end to the dominance, debauchery and devastation of the United States has been behind since the Civil War! The USA is no different than the days of Noah, Along with peoples attitude that has compromised with evil destroying a quarter of 1 billion lives of a little brothers and sisters who had no chance at life and at the same time those people since rejecting the mercy of Jesus Christ now must face and eye for an eye and a tooth for a tooth as the judgment of Almighty God moves in history as he does and has done in the past against those who declared war against heaven And our redeemer Jesus Christ!
