Subject: Some significant changes coming to banking and how it affects **YOU**

There are global significant changes coming in the banking world that affect everyone rich and poor, power elite player and normal person. These changes are also connected to the new ways that travel and health and other parts of your life will be invaded and managed by all the governments around the world. Because this is a topic which is very detailed to make it easy to understand this report will be divided into the following sections:

- 1 The **UNIVERSAL ID CARD**
- 2 Your **SOCIAL CREDIT SCORE**
- 3 Your **VALID EATER SCORE**
- 4 Your **TRAVEL FREEDOM SCORE**
- 5 Your **HEALTH SCORE**

If you say “**THIS IS FULL INTRUSION INTO MY LIFE**” you are precisely and exactly correct. The world is heading this way as fast as it can. The excuse that governments give is this: “**WE ARE DOING THIS TO PROTECT YOU FROM ALL THE DANGERS IN THE WORLD TODAY**” what they are really saying is this: “**WE WILL CONTROL EVERY ASPECT OF YOUR LIFE TO EVEN HELP SAVE YOU FROM YOURSELF**”. If this sounds familiar open your bible to Revelation and read for yourself what God warns us about.

Also it is very important that you understand that banking as you know it today will be very very different shortly.

UNIVERSAL ID CARD

The UNIVERSAL ID CARD is a credit card size device which has the following parts:

- 1 Your Photo on the front
- 2 Your signature on the back
- 3 Your ID number embossed on the front
- 4 A magnetic stripe (just like the existing credit and debit cards)
- 5 A complete system with memory (like the smart cards) with the added feature of being like an RFID device to be read without contacting (touching) the card
- 6 On the back will also be a QR CODE (your unique QR code). A qr CODE is a matrix barcode that was invented in 1994 by the Japanese company Denso, and has been adopted world wide for items needing optical barcode which has more data than a normal barcode is able to handle.

The Card represents and performs the following functions:

- 1 It can be read and used by existing ATM machines which have not yet been updated to complete functionality
- 2 It contains your digital wallet
- 3 It is your passport with a log of every airport and border crossings you have made.
- 4 It contains your **SOCIAL CREDIT SCORE**
- 5 It contains your **VALID EATER SCORE**
- 6 It contains your **TRAVEL FREEDOM SCORE**
- 7 It contains your **HEALTH SCORE**
- 8 It contains your **CURRENT VACCINATION INFORMATION**
- 9 **The built in RFID activated computer contained in the card will tell any officer with the portable readout unit the agents and officers will carry all the information up to the second about you.**

As you can see, this card represents your “freedom” or lack thereof. It also means that these cards will be great targets for thieves and robbers as well so you will have to watch your card carefully.

SOCIAL CREDIT SCORE

I am sure that most adults in the USA have heard of the FICO credit score. This credit score is used to determine what the probability of you repaying a loan of some type. The concept of social credit began in China and is spreading in to the rest of the world. **YOUR SOCIAL CREDIT SCORE** goes way beyond your FICA score.

The goal of the social credit system is to make it easier for people and businesses to make fully-informed business decisions. A high social credit score will be an indicator that a party can be trusted in a contact context. The system began with a focus on financial creditworthiness, similar to credit scores used in western countries, and moved on to include compliance and legal violations. The eventual 'end-state' of the system is a unified record for people, businesses, and the government, **which can be monitored in real-time**. In more recent years, policy development for the social credit system has moved beyond considerations of financial creditworthiness and compliance to encompass a broader notion of 'trust'. A common theme in the policy documents establishing the social credit system is the term 'Chengxin', variously translated as 'trustworthiness', 'honesty', 'integrity', 'sincerity' or 'morality', depending on the context.

The western countries have added to this concept of controlling access to money based on how each person complies to the new laws as well as **NOT TRYING TO GO AGAINST THE GOVERNMENT STORY LINE EVEN IF IT IS FALSE OR GOES AGAINST GOD'S LAWS**.

You may wonder "HOW DO I RAISE MY SOCIAL CREDIT SCORE". The bottom line answer is to give up your salvation and faith in Jesus for what you may think is an easier life. I humbly suggest that you put your **WHOLE TRUST AND FAITH IN JESUS AND NOT SOME GOVERNMENT TO SAVE YOU AND PROTECT YOU**.

VALID EATER SCORE

This score is defined by how “worthy” are you to eat more than a bare minimum. Factors which can affect this are:

- 1 How compliant are you to agents and officials of the government.
- 2 Do you deserve more food based on your type of work and/or value to the government.
- 3 Do you observe all rules without protest.
- 4 Do you say things which go against the government “story line”.
- 5 Do you have a regular exercise program to keep fit ?
- 6 Do you freely give food to DENIED eaters in violation of the law or do you comply with all the controlled eaters laws ??

(NOTE: CHRISTIANS ARE LISTED AS “DENIED EATERS” IN THE CONTROLLED EATERS LAWS WHICH ARE COMING INTO EXISTENCE AS THE GLOBAL FAMINE BECOMES WORSE.)

TRAVEL FREEDOM SCORE

Your **TRAVEL FREEDOM SCORE** encompasses the following things:

- 1 It is your passport.
- 2 It is the stated boundaries controlling your travel. Examples of potentially imposed limits:
 - 2.1 You may not leave your house.
 - 2.2 You may not leave your town.
 - 2.3 You may not leave your state.
 - 2.4 You may not leave the country.
 - 2.5 The stated times you may travel.
 - 2.6 It can also state anyone you are not allowed to visit for any defined government reason.
- 3 It also can define the modes of transportation you are allowed to use.
- 4 It also defines any fuel rationing assigned to you.

I can hear people asking how will travel freedoms be managed?

- 1 Do you inform your agent or officer of violators of the travel freedom law ?
- 2 Do you submit all required documents to gain additional travel freedom ?
- 3 Do you stand with the government in it's storyline (even if it is a known lie)
- 4 Do you have a high health score ?

HEALTH SCORE

Your health score is derived from the following things:

- 1 Have you complied with all current Government laws and mandates for long time FDA approved vaccines ?
- 2 Have you complied with all current Government mandates for the experimental shots for covid 19 ?
- 3 Have you complied with all doctor and hospital treatments any condition you may have needs ?
- 4 Have you kept your health insurance current ?

EPILOGUE

This report will end with the strong advice that you get on your knees and repent and beg forgiveness for your sins because Jesus is the only answer for freedom and life especially as you consider the new things changing in your life.

While it is true that we can not say the exact day or time that all of this will be forced on people there are clearly stated events in the Bible which precede this set of events. The Bible says that people look over the oceans weeping for the ships of the merchants to save them. Then the “Antichrist” (false savior) will make himself known and state precisely what people must do to be “saved”. It is in this time many “christians” who are not solidly grounded in the Mercy, Love, Holiness, and Absolute Authority of God will fall to the great deception hoping to be able to at least eat, **I ASK YOU IS YOUR ETERNAL SALVATION WORTH 1 MEAL OF PHYSICAL FOOD ?**

YOU MUST ABSOLUTELY UNDERSTAND THESE BASIC THINGS :

- 1 SATAN WILL DO HIS VERY BEST TO TRICK AND DECEIVE ALL PEOPLE ESPECIALLY CHRISTIANS BECAUSE HE WANTS TO BE ABLE TO TORMENT YOU ETERNALLY IN HELL AS HE SHAKES HIS FIST AT GOD.**
- 2 THE FACT THAT PEOPLE WILL BE WEEPING BEGGING TO BE SAVED TELLS US THAT THE SUPPLY CHAIN HAS COLLAPSED, THE FINANCIAL SYSTEM HAS COLLAPSED AND THE DOLLAR HAS NO MORE VALUE.**
- 3 BE VERY CAREFUL WHAT YOU WEEP AND BEG FOR AT ANY TIME IN YOUR LIFE ESPECIALLY IN TIMES OF GREAT TROUBLE AND TURMOIL**
- 4 ANOTHER THING YOU ABSOLUTELY MUST DO TO PREPARE IS TO LEARN ABOUT THE ABSOLUTE AUTHORITY YOU HAVE THE RIGHT TO CALL DOWN FROM HEAVEN AS A SAVED CHILD OF THE KING OF KING AND LORD OF LORDS WHICH IS THE LORD JESUS CHRIST THE ONLY BEGOTTEN SON OF GOD THE FATHER AND THE PRECIOUS BLOOD OF JESUS WHICH IS OUR PHYSICAL AND ETERNAL LIFE AND PROTECTION.**
