

Global Deception And Its Web of Lies

I often say that I wish I took the blue pill instead of the red pill. This, of course, is a reference to the movie “The Matrix” in which the hero was offered the choice between knowing the truth about the world or going back to sleep in ignorant bliss. He chose the latter and so did I. However, I must admit that it would make for an easier life if I saw the world as mainstream media paints it. Accepting that false and deceptive worldview would mean that I could escape the reality of all the things I’ve discovered over the years.

Uncomfortable things.

Giving The Devil His Due

More than ten years ago I wrote my second novel: “As The Darkness Falls”. The tagline for the novel is “Nothing is as it seems”. I was convinced of the Truth of this statement then and I’m even more convinced of it now. Because, over our world’s collective consciousness there has been woven a web of deception, lies and half-truths. Unfortunately, most the world’s population is willingly choosing to believe those lies.

This purposeful deception is orchestrated by the devil himself.

We know that we are of God, and the whole world lieth in the evil one. 1 John 5:19

One time my friend Steve Quayle shared with me a conversation he had with the Lord about all the lies, ignorance and all around bad stuff that exists in the world today. When he was done, the Holy Spirit reminded him about the above verse and then the Lord pointedly asked him, “Just what part of the word ‘whole’ do you not understand?”

I’ve since repeated that lesson often. The WHOLE world lays in the hands of Satan himself and we need to remember that as we see events unfolding at the End of the Age. Because ya gotta give the devil his due. He is an expert at lying and through his lies he has manipulated mankind to do his dirty work.

Everything that we are seeing on mainstream media, hearing from politicians and even from some alternative media has been woven against a backdrop of lies. Even in church, people are not taught the Bible, they are taught lies. In our education system, kids are taught lies and grow up to propagate those lies. And in many cases, these tidbits of information are known to be lies but people accept them anyway, as in the manipulated stock market or politics.

Butt Naked

Most people have no idea what gives the US dollar its value. Although I have heard some people say that they thought it was gold or silver. However, as I detailed in my

last article for Private Briefings, nothing backs the dollar except the US Government's word that they would make good on the debt instrument.

Huh?

How can they make good on our more than \$30 TRILLION-dollar national debt when the GDP (Gross Domestic Product) for all of America is not even \$21 Trillion?

The US government telling nations around the world that they can and will make good on the dollar is kinda like the fable "The Emperor's New Clothes". It's becoming painstakingly obvious that the US can NEVER pay back our debt, nor do we know how to stop borrowing. Countries around the world are taking notice of our nakedness and many people are talking about it. Very soon, that debt will be called and already there are some reports saying that it has started to be called in now.

When the value of the dollar goes to zero and we default on all of our debt, there is going to be literal Hell to pay. It will be judgment on this land as the world has never seen. Yet, the US government continues to tell its people that everything is absolutely fine. They keep spending and printing money and "we the people" accept their lie without ever questioning its validity. Politicians still hand out pork projects that require them to print more money while lining their own pockets. And consumers continue to shop and spend with impunity. All along, the average person has no idea how very close we are to the abyss.

But it is precisely because of this debt that the Elites are driving our country to World War 3. They think that if we are damaged enough, they can go to our creditors around the world and say, "Our land is destroyed, and our people are dead. We can't possibly pay you back."

They are right, of course, but at what cost? How many people must die because they have brought this country to bankruptcy? Will there be any America left after the bombs fall and the invaders come to pillage?

Yet, Americans remain ignorant to the deception and this willful ignorance will destroy us.

Choosing Sides

In a world filled with lies, the Truth can be very uncomfortable. As you search for it, be prepared to be angered, disappointed, lambasted, etc. etc. Case in point is how the world has drawn a bullseye around Russia and now adamantly supports Ukraine. There are fundraisers for Ukraine everywhere, people are wearing Ukrainian flags and not a day goes by when mainstream news calls Russia evil and mourns over the poor Ukrainians.

I have said on numerous occasions that I'm no Putin apologist, but Russia did have their reasons for invading. I have written about many of those reasons, good and bad, in my previous articles for Private Briefings. By no means is Russia and Putin innocent, but this is war and war is ugly. It would have been my preference for the US and NATO to stay neutral when it came to this conflict. Instead, they and the world have deliberately tried to destabilize Russia's economy with sanctions, they have openly support Ukraine and President Zelensky and have even sent massive amounts of weapons to the Ukraine. There are also some reports of US and NATO fighters on the ground.

The US and the West in general is "all in" for Ukraine which leads me to my next uncomfortable Truth.

The Rise Of The Fourth Reich

One of the stated goals of Russia was to "de-Nazify" Ukraine. I must admit that when I first heard this goal, I thought they were being melodramatic. Russia's struggles against the Nazi's during World War II are well documented and their hatred of Nazi's is embedded in their emotional psyches. I thought this was just propaganda that they were using to justify their actions. However...

Ukraine's Azov Battalion has a reputation for being fierce and brutal. They are also known to be the country's Nazi battalion complete with swastikas worn on their helmets and the Nazi SS symbol on their uniform patches.

The two northeastern provinces of Ukraine, Donetsk and Luhansk, are primarily Russian speaking and identify themselves as more Russian than Ukrainian. Seven years ago they voted to leave Ukraine and become part of Russia. Ukraine refused to allow them to secede and sent the Ukrainian army to attack them. Those attacks have been continually going on until Russia invaded. Even though they wanted to leave, keep in mind that they were still Ukrainians. But President Zelensky sent the Azov Battalion to rape, torture, kill and destroy these people and take their property.

Mariupol is a city in this area with a population of nearly 500,000 and has often been in the news because of heavy fighting. The Azov Battalion surrounded that city and invaded it before the Russians entered Ukraine. Since the invasion, all the deaths and destruction in that city is a direct result the Azov Battalion occupying the city. The fighting that has raged in the region is a result of the Russians trying to root out the Nazis of the Azov Battalion. Those Nazi soldiers interlaced themselves with the civilian population. They hid in apartment buildings and businesses and attacked the Russians from those civilian centers. They even used women and children as human shields. If the Russians were to achieve their goal of "de-Nazifying" that city, they would have to fight amongst the civilians. The Nazi's knew this and believed that the Russians would be hesitant to fight them there for fear of collateral damage. They were wrong.

On April 4th there was a very telling interview done between Fox News' Brett Baier and President Zelensky. In that interview a very important Truth came to light that the politicians and mainstream media would prefer to have not been disclosed.

Brett Baier: "I wanted to have you clear something up for us. And it is about these reports about the Azov Battalion that is said to be a Nazi affiliated organization operating as a militia in your country. Ah, said to be committing their own atrocities. What should Americans know about that unit, about those reports."

Now I'm sure the newsman thought that Zelensky would obfuscate around the Truth, or that he would say that the reports were wrong. What Baier actually heard had to surprise him.

Zelensky: "So, Azov is one of those many battalions. They are what they are. They were defending our country. And later, everything in group were incorporated into the military of Ukraine."

What?! "They are what they are" and "they were incorporated into the military of Ukraine."

By Ukraine's own President admission, the Truth is that evil, ruthless, Nazis are part of the Ukrainian army! Putin was not being melodramatic. The Ukrainian army is full of Nazis! Mariupol was surrounded by the Russians and pounded as they tried to weed out the Nazis. Videos show Russian soldiers, after killing Azov soldiers, going into places and rescuing Ukrainian civilians, women and children, who were being held hostages as human shields by the Azovs.

Before pounding the city, the Russians encouraged civilians to evacuate Mariupol by way of a designated safe corridor. The Russian soldiers guarding the corridor would let women and children to pass without harassment or scrutiny. However, any men who were trying to leave the city through that safe passage were stopped and made to take off their shirts.

Why?

Because many of those men belonged to the Azov Battalion and were trying to escape with the civilians. In many cases, and disclosed on video, what the Russians found were Nazi swastikas and other Nazi symbols tattooed on the men's bodies. They were Nazis!

And speaking of symbols, on March 16th, Ukrainian President Volodymyr Zelensky addressed a joint session of the US Congress asking for support and aid. In an emotional wave of support by both Republicans and Democrats, Zelensky got two standing ovations and the media called him a brave hero. However, that same media didn't notice, or ignored, the symbol that Zelensky wore on his shirt. On his military green sweater, Zelensky wore a distinctive Nazi Iron Cross!

Virtually the whole world has allied themselves against Russia and for the Ukraine. In doing so, THEY ARE SUPPORTING REAL LIVE NAZIS!

Talk about deception.

Deeper Down The Rabbit Hole

Most of the world is either deceived about the real motivations of the Ukrainian government or they willingly accept their Nazi beliefs. Further, you may recall my quoting Ukrainian Parliament member Kira Rudyk who, also in a Fox News interview, said that Ukrainians were not only fighting for the country of Ukraine, but they were also fighting for “The New World Order” and that Ukraine was the “shield for the Euro”.

I've been chewing on this for a few weeks and while I don't have any direct evidence my conclusions, logic tells me that I'm not far off.

1. We have evidence that the Ukrainian army is infested with real Nazis,
2. We have evidence that the Ukrainian President is aware of this fact and allows these Nazi ideals,
3. President Zelensky also appears to embrace part of that Nazi culture as evidenced by his clothing during his address to the US Congress,
4. As mentioned in a previous article, Zelensky is a young auspicious member of the World Economic Forum (WEF),
5. According to the Ukrainian Parliament member, Ukraine is spearheading the war effort for The New World Order and defending the Euro,
6. NATO and the US are encouraging Ukraine's fight and supplying funds and weapons,
7. There is also substantial evidence to suggest that the US funded the last revolution in the Ukraine which resulted in the removing of the legally elected president and installed Zelensky,
8. Nearly all the world's leaders, including Putin, Biden and the European leadership are standing members of the WEF,
9. The WEF are Globalists and have stated that they want to move the world toward the New World Order,
10. It would seem obvious that this leadership would know about the Nazi connections of Ukraine and accept their position.

All these things cause me to ask uncomfortable questions:

- Is the WEF acceptance of Ukraine's Nazism because the impetus of that ideology actually comes from the WEF and the Globalists themselves?
- Do all the world's leaders who belong to the WEF also adhere to the same Nazi belief system?
- Is the WEF's Global Reset really just... The rise of the Nazi Fourth Reich?
- By morally supporting Ukraine, is the world being set up to eventually embrace Nazism?

If you've read Steve Quayle's "Empire Beneath The Ice" you know that he gives evidence in that book for the modern day existence of Nazis in the Antarctic. Could it be that these Nazis are behind the Globalists and their plan to change the world?

Uncomfortable questions indeed.

The Truth Of The Word

There are numerous warnings in the Bible admonishing God's people to not be deceived. Here are a few:

2 Thessalonians 2:1-4

Now we ask you, brothers and sisters, regarding the coming of our Lord Jesus Christ and our gathering together to Him, that you not be quickly shaken from your composure or be disturbed either by a spirit, or a message, or a letter as if from us, to the effect that the day of the Lord has come. No one is to deceive you in any way! For it will not come unless the apostasy comes first, and the man of lawlessness is revealed, the son of destruction, who opposes and exalts himself above every so-called god or object of worship, so that he takes his seat in the temple of God, displaying himself as being God.

I mentioned the deception that is found even in the Church. This text points to one of the greatest: The Rapture Doctrine. This verse is specifically talking about how some people will say that the "harpazo" has happened. People have been teaching and preaching that "The Rapture" could happen at moment, especially now. According to this verse, it can't! The Antichrist has to be on the scene before we see the Lord face to face. In other words, the Rapture Doctrine is a lie, it is deception.

Ephesians 4:11-14

And He gave some as apostles, some as prophets, some as evangelists, some as pastors and teachers, for the equipping of the saints for the work of ministry, for the building up of the body of Christ; until we all attain to the unity of the faith, and of the

knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ. As a result, we are no longer to be children, tossed here and there by waves and carried about by every wind of doctrine, by the trickery of people, by craftiness in deceitful scheming...

Contrast the above verse to the Church of today. The job of church leaders is not to stroke you and help you “live your best life now” as Joel Olsteen would say. The purpose of church leadership is to help you grow up in Christ, in His Word and in His Way. As you do, because you are now a mature Christian, you won’t fall for false doctrines and to the “trickery of people, by craftiness in deceitful scheming”! If American church leaders were doing their jobs Americans, to include the vast majority of American Christians, would not believe the lies propagated by the media, politicians and the Globalists.

1 John 3:7-8

Little children, make sure no one deceives you; the one who practices righteousness is righteous, just as He is righteous; the one who practices sin is of the devil; for the devil has been sinning from the beginning. The Son of God appeared for this purpose, to destroy the works of the devil.

Many churches today are “seeker-sensitive” churches. This is a church growth term that means exactly what it sounds like. Because church leadership want to add butts in the pews, they shy away from talking about real biblical issues... Like Sin! Consequently, mainstream Christianity, whether it be brick and mortar churches, Christian entertainment and television and internet ministries do not talk about sin. But because they avoid the subject like the plague, their silence endorses sinful behavior in people’s lives.

Some of you may be thinking, “Come on Daniel! Not all this Christian stuff again! I want information about what’s going on now. I want to know how to prepare for the stuff that’s coming, not all this religious junk!”

We do need to know exactly what’s coming, but we must also realize that we are entering into and are now in the most supernatural time in human history. ALL of the deception that we are seeing in the world today is being driven by Lucifer himself and we cannot separate the physical things happening on planet earth from the supernatural realm.

In 1 Peter 4:17 it says that “Judgment begins with the house of God.” How are Believers supposed to be Salt and Light, as the Lord commanded us, if we don’t address our own shortcomings? God said what He meant and meant what He said. He will look at and judge us first before the first bomb falls.

If you know Him, get on your face before Him and worship, praise and thank Him for all He has done for you. Have His Holy Spirit point those things out in your life for which you need to repent of and be cleansed again by the power of the Spirit.

If you don't know Him, the advice is still the same except before you can enter into His presence, you have to repent and ask Him to take over your life.

With both examples, you should have a transformative, heartfelt and world-shaking experience with Him. Anything less is just religion and religion for religion's sake will not change you nor will it save you.

In a world wrapped up in deception, the Truth of God's Word and the fellowship of the Holy Spirit will give us the ability to stand against those lies in the evil day.

Finally, be strong in the Lord and in the strength of His might. Put on the full armor of God, so that you will be able to stand firm against the schemes of the devil. For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places. Therefore, take up the full armor of God, so that you will be able to resist on the evil day, and having done everything, to stand firm. Stand firm therefore, having belted your waist with truth, and having put on the breastplate of righteousness, and having strapped on your feet the preparation of the gospel of peace; in addition to all, taking up the shield of faith with which you will be able to extinguish all the flaming arrows of the evil one. And take the helmet of salvation and the sword of the Spirit, which is the word of God.

Ephesians 6:10-17
