Subject:

**HOW THE ANCIENT VIMANAS
RELATED TO WW2 AND WW3 NOW UNDERWAY**

TO BEGIN THIS REPORT IN A VERY BOLD AND DRAMATIC WAY (BECAUSE THE SUBJECT MATTER IS DRAMATIC, HERE ARE SOME KEY POINTS TO KEEP IN MIND:

- 1 THOUSANDS OF YEARS AGO THERE ARE DETAILED WRITINGS WHICH TALK ABOUT A GREAT WAR IN WHICH THE VIMANA FLYING AIRCRAFT DELIVERED BOMBS WHICH AS THEY EXPLODED LOOKED LIKE GIANT MUSHROOMS IN THE SKY COMING UP FROM THE GROUND. AND WHEN YOU LOOKED AT THE LAND AS FAR AS YOU COULD SEE IT LOOKED LIKE A GLASS MIRROR SMOOTH ON THE GROUND, AND THINGS WHICH WERE THERE NO LONGER WERE THERE.**
- 2 IN WW2 GERMANY HAS COPIES OF THE INDIAN DOCUMENTS AND THEY WERE IN FACT TRYING TO BUILD THE VIMANA FLYING MACHINES AND ATOMIC BOMB AS DESCRIBED IN THE INDIAN WRITINGS.**
- 3 ROBERT OPPENHEIMER ONE OF THE LEADING SCIENTISTS IN THE AMERICAN EFFORT TO BUILD THE ATOMIC BOMB QUOTED THE ANCIENT INDIANVEDIC TEXT-"I HAVE BECOME THE DESTROYER OF WORLDS"-HE KNEW AND ACCEPTED THAT THE VIMANAS EXISTED AS WELL AS THE WORSHIP OF FALLEN ANGELS TO MAKE THIS LEVEL OF EVIL REALITY.**
- 4 ADDITIONALLY THE USA AND RUSSIAN POST EXPLOSION REPORTS OF ATOMIC WEAPONS TESTING MATCHED THE INDIAN WRITINGS EXACTLY.**

WHAT DOES THIS ALL MEAN ? WELL LIKE SOLOMON SAID: THERE IS NOTHING NEW UNDER THE SUN. HERE IS SOME OF WHAT THIS MEANS:

- 1 THE GERMAN AND JAPANESE AND AMERICAN EFFORTS TO BUILD ATOMIC WEAPONS HAD COPIES OF THE INDIAN DOCUMENTS AND THE OCCULT INSTRUCTIONS HOW TO CALL OUT SPECIFIC FALLEN ANGELS FOR ADDITIONAL INFORMATION.**
- 2 ADDITIONALLY THE GERMANS AND JAPANESE WERE WORKING ON THEIR OWN VERSIONS OF THE VIMANA FLYING MACHINES.**
- 3 AT THE END OF WW2 HANS KAMMLER SECURED HIS FREEDOM IN THE USA BY BRINGING WITH HIM NOT ONLY ALL THE INDIAN TEXTS AND GERMAN TRANSLATIONS BUT ALSO ALL THE PLANS WHICH GERMAN ENGINEERS WERE WORKING ON.**

- 4 TO BE DIRECT AND BLUNT THE GERMANS WERE FAR AHEAD OF THE ALLIES IN THE DEVELOPMENT OF ADVANCED WEAPONS. I CAN HEAR YOU ALL ASKING SO WHY DID THE ALLIES WIN THE WAR ?**
- 5 THE ANSWER LIES IN THE MANUFACTURING CAPABILITIES OF THE USA AT THAT TIME IN HISTORY (WHICH HAS SINCE BEEN SURRENDERED TO CHINA), DURING WW2 MOST PEOPLE DO NOT KNOW THAT HENRY FORD AND THE FORD MOTOR COMPANY WERE TASKED TO BUILD BOMBERS IN HIGH VOLUME. THEY HAD 1.3 MILLION PARTS IN EACH BOMBER AND BOMBERS CAME OFF THE ASSEMBLY LINE EVERY 55 MINUTES AND ROLLED OUT FOR FUELING UP AND FLIGHT TESTING. THE ENTIRE TIME FROM A PILE OF PARTS TO A FLIGHT TESTED BOMBER WAS 90 MINUTES AND THE PLANE WAS ON ITS WAY FLYING TO ENGLAND TO BEGIN BOMBING GERMANY. ONE GERMAN GENERAL AFTER THE WAR SAID THE USA COULD HAVE JUST DROPPED CANS ON US BECAUSE THERE WERE SO MANY BOMBERS IN THE SKY.**

The west had thought that the whole subject of ancient flying carpets and flying machines and even armed flying machines was simply a legend or group of legends from India. Careful study by multiple scholars from around the world have said that what has been presented in a very detailed and factual manner which could only be described as an accurate picture of how ancient culture actually had things which are to this day still beyond NASA and other places working in modern times, thus causing the Indian scholars and the Indian government to pull back many of the very advanced technical books on all these topics.

From one of the Indian reports of things from 1895 we find these words: “Exploring the Technology, The FIRST ever Nobel prize for physics should have gone to an Indian by the name of Shivkur Bapuji Talpade. Talpade was a Sanskrit scholar who had read Vimanaka Shastra the ancient 7000 years old texts. He flew an unmanned flying saucer. It was an advanced Vedic Mercury ion plasma , imploding and expanding vortex noiseless flying machine , which could move in all directions. Accelerated pressurised Mercury when spun and thus heated gives out latent energy. Vedas had a deep understanding of Quantum physics. The airplane was aloft at nearly 200 metres height and was airborne for 18 minutes –after that the Naksha Rasa accumulators ran out of energy . This feat was witnessed by more than three thousand people including Britishers at Chowpatty beach in 1895, eight years before the Wright brothers in Ohio USA.” This very real story from 1895 and other stories from Nazi Germany during WW2 tell the truth as well.

One of the most modern designs the thin triangle shape craft.

One of the first German saucer shape design based on Indian writings

It is easy to see that the early German efforts were copies of the Indian craft designed and built thousands of years ago. As we fast forward to 2022, we discover that while the shape of the craft may be slightly different, but the precise gravity reducing engine and complete control systems are exact duplicates in principal and function even if the technology like tubes and now semiconductors have brought changes and improvements to the control systems, the theory of operation and core machines are identical inside.

As we look into the WW2 German efforts we discover the following things:

- 1 Key common design features of the Indian Vimana craft, The German WW2 craft and the current modern craft:
 - 1.1 They are all key designs from the fallen angels and are deep into the occult in both design and implementation.
 - 1.2 The spinning mercury gravity reduction engine is the same design in all the craft. The interesting thing is that finally the design of the spinning mercury engine is much more openly available than it was before.
 - 1.3 Craft Primary Power sources:
 - 1.3.1 The Indian Vimana craft took their power from the fallen angel power grid which covers the earth.
 - 1.3.2 The German design and the more modern designs include built-in power which is low risk and very easy to refuel in the field.
 - 1.4 Weapons: All the craft shares the same weapons platforms even if the key design features are thousands of years old:
 - 1.4.1 DEW (Directed Energy Weapons) with enough energy to knock an opposing craft 1000 miles away out of the air.
 - 1.4.2 High performance missiles, with brutal warheads made of thermobaric bombs.
 - 1.4.3 EMP pulse weapons.

1.4.4 Nuclear bombs.

2 How the craft have been used:

2.1 In ancient times the craft had 3 primary functions:

2.1.1 To carry the “gods” (fallen angels) and impress humans.

2.1.2 To carry Kings and humans chosen by the Kings to ride with them on adventures.

2.1.3 To be used in the air and in space for brutal attacks. In fact there were brutal wars which wiped out most of humanity and God the Father had to step in and halt the continuation of the war (according to the ancient Indian writings. Even with God stopping the war, the Indians for the most part even to this day reject God the Father and his love and offer of salvation.

2.2 During WW2 the Germans were attempting to make wonder weapons to brutally force the allies back. However due to arguments in leadership the new weapons development got delayed and the USA and Russians rushed to grab all the engineers and technology they could at the end of the war and bring them back to build advanced weapons systems.

2.3 In modern times the craft are in continuous ultra secret development to the point that the governments and big defense contractors deny the existence of such devices even while they are flying over head.

3 How have humans used and abused such craft:

3.1 Interestingly enough each generation becomes more evil than the one before it as things come out in the open which in prior generations were hidden and not spoken of much:

3.1.1 Abortion and killing of young innocents at the request of lucifer as a sacrifice to him.

3.1.2 Perversions of all types spread through the culture.

3.2 And to what goal ? To gain rides in such craft or to even own such a craft people without Jesus will do anything to have the power that such a craft represents.

3.2.1 To even see the designs you must praise lucifer above all others.

3.2.2 To even enter a craft you must bow and worship in surrender to lucifer above all others.

4 What does all this mean to you and how do things from ancient times affect you in 2022 ?

4.1 The first thing it shows and proves is that the intent and plan of the fallen angels is the destruction of all humans by any means possible.

- 4.2 The second thing we learn is that even with all the hidden and visible evil in the world, we can live without fear in the majesty of God the Father and in the protection and authority of Jesus the one who conquered eternal death.**
- 4.3 These two things prove to you that your only hope and salvation is in Jesus and his protection, and for us to win in our own lives we must live within the authority of Jesus. Does this mean we will have perfect and pain free lives ? No not at all, but what it does mean is that AS WE WALK WITH JESUS HE BEARS ALL OUR PAINS OF ANY TYPE WITHOUT LIMITATIONS.**
